ITEMS FROM HARBOR FRONT

The Kinsu from Maui and Hawaii ports is due late tonight.

The Waialeale came off the marine railway at an early hour this afternoon.

Kapaa, Kauai, is to have a "Palace" saloon in the near future. This news comes by the James Makee.

The Lehua will not be in from her usual ports until tomorrow on account of not having left this port until Tuesday last.

The purser of the James Makee reports as follows: Fine weather on Kauai; 1500 bags of sugar at Waimea; W. G. Hall at Makaweli.

A marine deserted from the Bennington last night. Lieutenant Opanui caught him in a swipes joint this morning. He was returned aboard ship.

DECISION ON YACHT RACE.

Continued from Page 1.

race, and the yacht Bonnie Dundee entitled to the first prize, and the yacht Hawaii to the second prize, on the ground that the committee did not publish the rules and conditions under which they had decided the race should be run, and therefore the judges have been compelled to decide according to the Herreshoff rules under which the last previous race, that of 1896, was sailed.

However, in view of the magnanimous offer of Mr. Dole contained in the letter hereto appended, we would suggest that the prize money be hung up for this last regatta, and added to the prizes for next year's first class yacht race, this to be sailed according to the rules and conditions agreed upon by the committee in the present case but not published.

CHAS. B. WILSON,
C. J. CAMPBELL,
C. B. GRAY.
Honolulu, Oct. 22, 1898.

HONOLULU, 8 Oct., 1898.

Mr. Charles B. Wilson and others, Judges of the Yacht Race of the 17th of September last.

DEAR SIRS:—The misunderstanding of the conditions of the first-class yacht race was not due to any fault of the competitors. By the conditions as announced to those who entered the Hawaii and the Marion, the former boat won the first prize, and the latter boat the second prize; and by the conditions as understood by those who entered the Bonnie Dundee, she won the first prize, and the Hawaii the second prize. The conditions as announced by the committee to those who entered the Hawaii and Marion were not announced to those who entered the Bonnie Dundee at all, and they never heard of them until the race was over.

As there seems to be no possibility of adjusting the matter, I suggest that the Bonnie Dundee be considered as out of the race, and the matter be settled on the theory of a race between the Hawaii and the Marion alone.

Very sincerely yours,
SANFORD B. DOLE.

HAWAIIAN CHORUS.

The Hawaiian chorus met in Arion hall last night. There were not as many present as on the previous two nights, owing to a function it was necessary for many of the members to attend. However, there was good work done under Prof. Richards.

On account of the diminished attendance, all business was postponed until the next meeting. Prof. Richards and W. J. Coelho were appointed a committee to look into the matter of securing a hall so that meetings may be held every Tuesday night, the time most convenient for the large majority of the boys.

Soldier Did Not Back Out.

The "Manoa Wonder" says that "the soldiers backed out" of a race in which the talk and arrangements have all been on one side. As the gentleman who tried to promote the race said that his man had not ridden a wheel for a long time and that he was nothing but a second rate amateur at the best we are surprised to learn that he has lost his valuable time in training, however, if he will inform the undersigned the amount of damage he has sustained financially through training, he, the undersigned, will raise a purse to reimburse the supposed "wooden man" that Mr. Martin was to put against Hart in a race.

Scrofula

Swollen Glands, Scrofula Sores, Hip Disease, Boils, Pimples, Eruptions Tell the Story—Dreadful Consequences of Impure Blood.

Certainly scrofula, if anything, may be called the advertisement of foul blood. It is the scourge of the world—offensive, painful, debilitating, stubborn. Outward applications do not cure. Emollients may palliate, they cannot abolish the evil. There is one sure way out, and that is to eliminate the taint from the blood. For this purpose Hood's Sarsaparilla is absolutely without an equal.

"I have taken Hood's Sarsaparilla for scrofulous humor and impure blood and am now almost entirely cured of the eruptions with which I have been afflicted for the past year. My face, chest and back were badly broken out." FRED B. ORDWAY, Woodstock, Vt.
